Lt. Norfolk-18

1. We are in the process of hiring a new patrol officer who will be working 6pm to 2am Wednesday thru Sunday. Off Monday and Tuesday. Officer Tilillie will be working alongside this officer. I have instructed her to monitor any and all traffic violations and erratic driving in Mason and issue citations or arrest violators.
2. We are in the process of locating specific vendors for the \$9,000 plus monies for the first half of the VCIF State Grant. Every item we buy must be approved by the state and must meet specific needs. We obviously are price shopping on all items for the best deal for the town.
